The position follows standard work methods and practices safe work habits to ensure production is as efficient and safe as possible. Previous experience as a Foundry Helper preferred.

Essential Duties and Responsibilities:

- Operate machinery used in the production process, or assist machine operators.
- Use appropriate tools to finish castings based on quality specifications.
- Examine products to verify conformance to quality standards.
- Lift raw materials, finished products, and packed items, manually or using hoists.
- Count finished products to determine if product orders are complete.
- Mark or tag identification on parts.
- Load and unload items from machines
- Record information, such as the number of products tested, meter readings, or dates and times of product production
- Follow written and verbal work instruction
- Performs production reporting as assigned
- Meet cycle time expectations as communicated by the supervisor
- Meet all quality expectations
- Support all continuous improvement activities within the functional area

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.

- Ability to follow instructions, read, write and perform arithmetic calculations
- Ability to work as a team member
- Ability to work in difficult working conditions which may include exposure to noise, dust, chemicals, temperature extremes, molten metal and other elements for extended periods of time.

Education and/or Experience:

- High school diploma or equivalent
- Manufacturing/assembly experience preferred
- Basic computer literacy: word processing, spreadsheet and email
- Basic math skills
- Good hand / eye coordination while able to work with repetitive tasks on daily basis
- A high aptitude for fine detail work a must
- **Physical Demands:**
The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable

accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this Job, the employee is regularly required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms and talk or hear. The employee is occasionally required to stoop, kneel, crouch, or crawl. Ability to lift and or maneuver objects weighing thirty to fifty pounds and occasionally up to one hundred and twenty pound
